Meridian Senior Center, 1920 Records, Meridian ID
8:30am - 4:00pm

No Pre-registration Required
Members \$5. Non-Members \$10.
Payable at the Door

Please join us for an exciting and informative day!

We will convene at 8:30, with opening remarks, introduction of former officers and board members present then proceed with a brief business meeting to report on elections, etc.

Thomas Watson with Roots Family History will lead off the conference with a presentation on "Digitally Preserving Your Home Movies, Photos and Film for Future Generations" Media specialties is the main focus of the Boise Business. Watson recently spoke on digitalizing at Roots Tech in Salt Lake City, Utah.

Layce Johnson (Collections Archivist at the Idaho State Archives, a division of the Idaho State Historical Society) will present "Archives Today" an update on the Idaho State Historical Museum and its imminent reopening following a major renovation.

Lunch is on your own; please take advantage of the many vendors in the area and we'll see you about 1:15pm. Remember to pick up your ticket as you leave for lunch....it's for our door prize drawing later this afternoon – an Ancestry DNA test kit!

Resuming, Renae Beal will guide us through cloud storage and security issues. Renae is an instructor currently with the Idaho Department of Transportation.

RootsTech Video - -A DNA Match with No Tree? No Problem!: Diahna Southard and Lisa Louise Cooke.....Frustrated by finding a DNA match but no linked tree? Their tree is probably not the only tree that includes the matching ancestor, and with persistent sleuthing, it can be found.

Time permitting, we hope to offer an informal Q&A session to address some of your brick walls.....

We will adjourn no later than 3:30pm.
