

## ◆ About IGS ◆

We are a non-profit organization, established in 1958, granted 501(c) (3) status in 1982.

Vision: Looking Forward to the Past

Mission: To become a preferred first stop for those researching their ancestry in Idaho, by reaching out to a statewide audience, preserving Idaho specific records, maximizing grant requests to fund our projects, and making members' Idaho research meaningful and successful.

Come join us and see why unraveling your family history is the fastest growing hobby.

The Society Board of Directors meets 11 months out of the year. December is our holiday month.

All members of Idaho Genealogical Society and persons interested in their family history are welcome and encouraged to attend our meetings.

Goals: We will accomplish this by:

- Partnering with local genealogical societies
- Providing information on what is available at the local level
- Scheduling and sponsoring seminars throughout the year that will enhance ancestry knowledge
- Identifying and providing resources/knowledge not available elsewhere
- Delivering a newsletter in a timely manner that addresses items of interest to researchers of Idaho Genealogy with significant depth and importance.
