Newsletter Submission Guidelines.....	15

President's Message

As your President, I would like to thank all of you for your support and entrusting me to lead the Idaho Genealogical Society for the next couple of years. I welcome the opportunity to serve you and can envision the growth of the society.

I also need to thank our outgoing President, Robin Pewtress, for the work she has done in leading this fine organization during the last few years. Particularly through the COVID Epidemic, keeping the society's paperwork straight and maintaining control of the society. Under Robin's Leadership, the Idaho Genealogical Society has maintained its excellent status as a leader in the genealogical societies within Idaho and the Northwest. Robin has not only put in place high standards for all of us to maintain, but has brought changes that have resulted in significant improvements for our society. Thank you, Robin!

All new incoming presidents have
